Greetings from the Philippine National Volunteer Service Coordinating Agency!

As the government agency mandated to promote volunteerism as a strategy for sustainable development, PNVSCA has been conducting advocacy activities that will create awareness and promote volunteerism among the different sectors of the society.

For this year's celebration of the National Volunteer Month (NVM), we have identified simple but meaningful activities to commemorate the NVM given our current situation. One of the NVM activities is a forum entitled, **"Public Higher Education Institutions' Volunteerism Forum** which aims to assess and present the extent of volunteerism in the education sector. This will be held on **10 December 2021 at 9:00 to 12:00 nn via Zoom.**

In line with this, we would like to invite the members of your organization to this activity and request for assistance in disseminating the invitation to your network.
