Dear Dr. Paras,

Greetings.

The recently conducted Public Orientation on the Joint CHED-DOH Memo Circular Guidelines for Limited Face-to-Face Classes provided valuable information and insights that help us prepare for the gradual re-opening of campuses of HEI's for the limited face-to-face classes this coming semester. However, there were Deans and Program Coordinators who were not able to attend the said meeting.

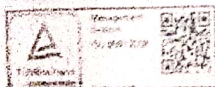

Anent this, we would like to hold a virtual meeting with the Deans and Program Coordinators of Nursing, Medical Technology, Physical Therapy and Midwifery from the various HEI's in Region 02 on Thursday, January 28, 2021 at 9:00 in the morning. The objective of the meeting is to orient the participants on the Guidelines for the Reopening of Campuses of HEIs for Limited Face-to-Face Classes during the COVID19 Pandemic. May we invite and humbly request you to give an inspirational message and be our main speaker for the presentation of the Guidelines.

May we also respectfully request endorsement from your office to conduct this online meeting and request CHED RO2 to host the virtual meeting.

Thank you very much. God bless always.

Respectfully Yours,

Anunciacion T. Talosig
