Dear Madam:

Greetings!

The Regional Engineering, Architecture and Technology Cluster has always been a very supportive partner of CHED Region 2 in implementing its mandate to assist Higher Education institutions within the region in attaining and maintaining the highest standards of excellence, innovativeness and responsiveness of the degree courses in Engineering, Architecture and Technology that they offer. In behalf of the new set of officers, I would like to affirm our continued commitment to work closely with the CHED Regional Office in achieving this mandate.

In this connection, I am planning to convene all the officers of the Cluster on June 16, 2021 at 2:00 pm primarily for the purpose of formulating the action plan for SY 2021 – 2022. May I, therefore, request the CHED Regional Office thru the assistance of Engr. Anastacio S. Saguibo Jr. to host the said meeting via ZOOM platform.

Your positive response to my request will be highly appreciated. Looking forward to a dynamic and fruitful working relationship with your office despite the restrictions imposed by the current global situation.

Thank you and stay safe.

Very truly yours,

ENGR. MYRNA B. GROSPE, Ph.D.
