OIC Director
CHED Regional Office II

Dear Director Domingo,

Warm greetings!

The General Education Center (GEC) is an academic unit under the Office of the Vice Chancellor for Academic Affairs, University of the Philippines Diliman. It is responsible for the implementation and assessment of policies, guidelines, and standards related to GE curriculum, teaching, learning, and educational resources.

Since September 2021, GEC has been conducting webinars under **LINANGAN: The GE Faculty Development Extension Program**. The program aims to further enhance the teaching and learning of general education (GE) by creating spaces for teachers' conversations which will facilitate exchanges about content, different teaching methods, classroom management and learning resources under remote and blended/flexible learning mode.

We thank the Commission on Higher Education Regional Offices for continuing to partner with us in this year-long endeavor for our GE faculty. Through our collaboration, the last five webinars were attended by over 2000 participants. LINANGAN is open to faculty of state universities and colleges (SUCs), local universities and colleges (LUCs), UP constituent universities (CUs), private and special higher education institutions (HEIs), and other educational institutions. The Teach Talk webinars are based on 9 GE core courses of CHED and UP to cater to the common interest and experiences of the participants, while Vacc to School webinar is dedicated in preparation for the mixed virtual and face-to-face classes.

In line with this, GEC respectfully requests your good Office to **endorse Teach Talk: How to teach and manage your Gen Z class (Purposive Communication Edition)** to GE faculty of universities, colleges, and other educational institutions in your region. We have attached the invitation letter to GE faculty for the Teach Talk (Purposive Communication Edition) on **21 March 2022 (Monday), 9:00 AM – 12:00 NN** via Zoom, YouTube, and Facebook. Also attached herewith are the posters for your endorsement and dissemination. Registration is **free** for all our webinars.

Should you have any questions or concerns, you may contact us at gec_ovcaa.upd@up.edu.ph and/or Czarina Duka at crduka@up.edu.ph or +639952775733.

We are hoping for a favorable response to our request.

Thank you very much.

Sincerely,
