**SUBJECT : 1<sup>ST</sup> NATIONAL INNOVATION DAY CELEBRATION**

**DATE : 4 March 2022**

Pursuant to Republic Act (RA) No. 11293 (National Innovation Act), April 21 of every year was declared as the "National Innovation Day" to promote public awareness and national support for innovation and highlight milestones of government and private sector initiatives. The said RA established the National Innovation Council (NIC) wherein the President of the Republic of the Philippines will serve as chairman, the National Economic and Development Authority (NEDA) as vice chairman, and the different national government agencies (NGAs) plus seven (7) other executive individuals as members to develop the country's innovation goals, priorities, and long-term national strategy.

The NIC, in close coordination with the Department of Science and Technology (DOST), Department of Trade and Industry (DTI), Department of Education (DepEd), Commission on Higher Education (CHED) and the Technical Education and Skills Development Authority (TESDA), shall plan, design, and implement programs and activities in celebration of the National Innovation Day, that will involve the participation of other NGAs, LGUs, the private sector, and schools.

Recognizing the significant gains obtained by some state universities and colleges (SUCs) in the field of Science, Technology, Engineering, Agriculture and Mathematics (STEAM), we would like to request the full cooperation from the concerned SUCs under your respective jurisdictions to provide us inputs/data of their successes/achievements in the area of advanced technology and innovation (following the attached Form) to be showcased during the **1<sup>st</sup> National Innovation Day Celebration on April 21, 2022.**
