Dear Director Domingo:

Healthy Greetings!

The **PinasLakas Campaign** of Department of Health was launched in pursuant to the Presidential Directive regarding the COVID-19 Vaccination Strategies for the First 100 days will end on October 7, 2022. The said campaign aims to achieve 90% primary series coverage among Priority Group A2: Senior Citizen and 50% first booster coverage among general population.

In line with this, the Cagayan Valley Center for Health Development Regional Vaccination Operations Center (CVCHD-RVOC) came up with “**The Vaxx To School Contest**” as a strategy to increase the vaccination coverage among 5 to 17 years old and 18 years old and above in school/university setting. The above contest will give recognition and awards to schools/universities, as well as advisory teachers/instructors/professors with high COVID-19 vaccination coverage. Attached in this letter are the mechanics of the said activity, as well as the spread sheet template for proper recording.

In this regard, we are humbly requesting assistance from your good office, for the apt dissemination of this said contest.

Ms. Jermaine Farrah L. Cepeda, RVOC Operations Head will respond to any concern that you may have regarding the matter. She may be reached thru our Hotline Number, **0960 848 7260/ 0917 892 6192**.

Thank you very much for your continued support and partnership; and May God bless you more!

Very truly yours,

MAR WYNN D. BELLO, MD, MPA, CESE
