Dear Director Domingo:

Healthy Greetings!

The Department of Health – Cagayan Valley Center for Health Development came up with the “**Vaxx to School Contest**” last September 15, 2022 as a strategy for the PinasLakas Campaign. The contest aims to increase the vaccination coverage among the 5 to 11 years old and 12 years old and above in the school setting; and will give recognition and awards to schools with high COVID-19 vaccination coverage.

This is to inform you, that the above contest has been extended until **October 31, 2022** to give time for the schools and teachers to complete their data needed for the said contest. The same mechanics as previously attached in our letter dated September 21, 2022 applies.

In this regard, we are humbly requesting assistance from your good office, for the apt dissemination of this said contest.

Dr. Averille Victoria Caridad, our staff from Regional Vaccine Operations Center will respond to any concern that you may have regarding the matter. She may be reached thru our Hotline Number, **0905 209 2144/ 0915 871 5021**; or email at vaxxtoschool2022@gmail.com.

Thank you very much for your continued support and partnership and May God bless you more!

Very truly yours,

AMELITA M. PANGILINAN, MD, MPH, CESO IV
 Director IV
