Dear **Director Domingo**:

The Office of Planning, Research and Knowledge Management (OPRKM) is conducting a quick survey to determine the perception of stakeholders on the state of digital skills (computer skills, basic coding, digital reading) and talent in the Philippines. The questions asked are patterned after the Global Competitiveness Report 2019 of the World Economic Forum. The answers to be provided shall be used as a possible basis for the score we will provide in the ASEAN Digital Integration Index (ADII) 2.0.

In view of this, we would like to respectfully request your assistance in disseminating to the Higher Education Institutions (HEIs) in your region the online quick survey form which may be accessed through this link:
