Dear **Director Domingo**:

First of all, we would like to thank you for your support in the conduct of the "Rapid Survey on Reasons for Student Attrition in Higher Education." Results were shared during the pre-plenary and plenary budget hearings of CHED at the House of Representatives. However, there were still questions asked during the plenary. These were student level data that we usually do not collect, but may need to collect moving forward in order to determine the appropriate interventions or policies that need to be developed. Thus, in preparation for the budget hearing at the Senate scheduled in October 2023, the Office of Planning, Research and Knowledge Management (OPRKM) is again conducting a new round of data collection which we call "Rapid Survey on Profile of Students in Higher Education."

Please request your higher education institutions (HEIs) to participate in the survey by providing the link to the google form to their undergraduate students. Moreover, please assure your HEIs that we adhere to Republic Act 10173 or the Data Privacy Act of 2012 and that no personal information of the students shall be shared with other parties. Data collected will be analyzed for the purpose stated above.

We are providing one link for each HEI type for easier monitoring and analysis. Please provide the links below:

Survey Link for SUCs: bit.ly/chedsesSUCs

Survey Link for LUCs: bit.ly/chedsesLUC

Survey Link for Private HEIs: bit.ly/chedsesPHEI

The portal will be open from 27 to 30 September 2023.

If you have any questions or concerns, please contact Ms. Raphaella Navarrosa through rnavarrosa@ched.gov.ph.

Thank you very much for your unwavering support.

Very truly yours,

MARY SYLVETTE O. GUNIGUNDO, Ph.D.
